

**3rd IEEE International Conference on Computing, Electronics and
Communications Engineering 2020 (IEEE iCCECE '20)**
17th – 18th August, 2020
University of Essex, ~~Southend Campus, UK~~
To be held online as a live interactive virtual conference

Call for Papers

Important Announcement: Due to a higher amount of travel restrictions resulting from the spread of COVID-19, iCCECE '20 will be held online as a live interactive virtual conference, to ensure the safety, comfort and quality of experience of the attendees and of the successful course of the event. All matters related to the **quality, publication and indexing shall remain unchanged**. We are closely monitoring the situation – If any further adjustment is deemed to be necessary, detailed announcement will be made in due course.

After successfully organising the second conference of this series, [International Association of Educators and Researchers \(IAER\)](#), registered CIC (Community Interest Company) in England and Wales, is happy to arrange the Third International Conference on Computing, Electronics and Communications Engineering 2020 (iCCECE '20), which will be held from 17th – 18th August, 2020, at ~~University of Essex, Southend Campus, UK~~ online as a live interactive virtual conference.

The conference will draw together researchers and developers from academia and industry. **iCCECE '20 is technically co-sponsored by IEEE ([Conference Record # 49321](#)) and conference content will be submitted for inclusion into IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. Proceedings of iCCECE'18 is available online in [IEEE Xplore](#).** For inclusion in the IEEE Xplore Digital Library, the papers must adhere to the IEEE Conference A4 Paper size (NOT US Letter) guidelines, instructions for which can be found at this link: http://www.ieee.org/conferences_events/conferences/publishing/templates.html. The easiest way to do this is to download and use the [IEEE MS Word A4](#) template. Selected papers for consideration for further publication from the conference may be recommended for the following journals, as shown in the table below. This will be after they have been asked to be substantially extended and enhanced. However, the journals' respective Editor-in-Chief and the members of the Executive Board will make the final decision about the inclusion of the papers. Furthermore, invited extended papers will be published in an edited book by Springer-Verlag.
